### **III. General professional experience:**

Started as a litigation associate at Shearman & Sterling working on international banking issues related to the country debt crisis of the 1980's. Also worked on some US bankruptcy cases, and mergers and acquisition litigation. Was a corporate lawyer for one year, drafting contracts. Moved in-house and managed a wide variety of legal issues including Superfund negotiations, toxic tort cases, preparation of complex construction contracts and insurance claims. Joined a small law firms last year and am now focused on commercial litigation and environmental issues.

### **IV. General pertinent experience:**

On the mediation panel for civil cases in the SDNY and applying for the EDNY panel. Mediated two employment disputes, one on-going. Participated in numerous alternative dispute resolution proceedings as a party, including two toxic tort cases.

### **V. Mediation training:**

Sponsor: Center for Dispute Settlement, Linda Singer and Michael Lewis, instructors

Mediation for the Professional, November 16-19, 2005, 25 hours

Advanced Mediation Training, April 27-29, 2006, 20 hours

Certificate of Completion issued in both courses.

**VI. Pertinent bankruptcy training:**

Worked on bankruptcy litigations as an associate at Shearman & Sterling. As in-house counsel, evaluated potential claims and whether to participate in several bankruptcy cases when environmental issues were involved. Am currently working with the U.S. Environmental Protection Agency on financial assurance issues, and the role of bankruptcy laws and preferences for cleanup obligations.

**VII. General pertinent business or legal experience:**

Member, U.S. Environmental Protection Agency Environmental Financial Advisory Board, 2005-2009, a federal advisory committee to U.S. EPA on financial issues.
