SOUTHERN DISTRICT OF NEW YORK**

INSTRUCTIONS AND APPLICATION FOR OBTAINING AN SDNY SERVICE PASS

Southern District of New York (SDNY) Service Passes allow attorneys who are admitted to practice in the Southern District the opportunity to bring one electronic device (such as a cell phone or Blackberry) into the courthouse with them. Attorneys may obtain a Service Pass in either the White Plains or Manhattan (500 Pearl Street) courthouses, and the service pass will be honored in all three SDNY locations. However, the service pass will *not* authorize attorneys to carry laptops into the courthouse—attorneys with service passes must request permission from individual judges to bring a laptop to court.

To qualify for the SDNY Service Pass, attorneys must:

1. Possess a “Secure Pass ID Card” from the New York State Unified Court System; attorneys can apply for the Secure Pass at 111 Centre Street (White Street entrance).
2. Be admitted to the United States District Court for the Southern District of New York;
3. Present additional proof of identity, such as a government-issued driver’s license or passport;
4. Complete an application form, which can be found online at <http://nysd.uscourts.gov/forms.php> or in person at the District Executive’s Office; in addition, an application follows this notice. Applications that are mailed in or submitted by someone other than the applicant will be rejected.

In Manhattan, attorneys can obtain or renew SDNY Service Passes on Tuesdays and Thursdays only, from 9:00 a.m. to 12:00 p.m., at the Daniel Patrick Moynihan courthouse (500 Pearl Street, Room 820).

In White Plains, attorney service passes can be obtained or renewed on Fridays only, from 9:00 a.m. to 12:00 p.m., in the Clerk’s Office on the first floor of the Charles L. Brieant Jr. United States Courthouse (300 Quarropas Street).

Attorneys who are renewing Service Passes must bring with them a New York State Unified Court System Secure Pass and additional proof of identity; they must also notify the SDNY of any updated contact information.
